Home Renovator

From September 2021 to May 2022

I work for a person who has rental properties. He needs help remodeling the houses and getting them into livable condition so he can rent the houses out. I am learning the ins and outs of the real estate business, including seeing real-world numbers and making sense of them.

Local Lawn Care Business (Self-employed)

Summer of 2016-2022

Fertilizer business- I owned a lawn care business that specialized in law fertilization. I offered a 5 step lawn care program along with lawn cutting and other variable lawncare requests.

- Budgeted overhead costs
- Clear and concise communication with customers

- Set and met deadlines for myself
- Quote jobs and write invoices

Kennedy Mechanical (HVAC Technition)

From October 2020 to April 2021

While employed at Kennedy I was at job sites all over, including places like Churchville chili and the city of Rochester. Mainly I would be doing the roughing stage of construction which includes duct installation. While working at Kennedy I learned the importance of clear communication and I also learned how to troubleshoot and think like a blue-collar worker.

Little Caesars (Cashier/Kitchen)

From November 2018 to April 2019

I work at the Little Caesars on Penfield road. I have learned to be able to balance many things at once working at Little Caesars. When working up front I must talk to people and multitask. When I am working in the kitchen, I must be able to handle many orders all at once.

Sugary Delights (Cashier)

From November 2017 to February 2018

I worked at a seasonal location at the mall. I worked talking to all kinds of people I don't know. I handled money, made cotton candy and talked to customers.
